**Product Additions**

Added value options for products

---

**Message Card**

This little addition allows you to send a longer message, perfect for letting the recipient know who sent their gift if they’re receiving it direct. Additional $3 at retail, this extra sentiment won’t break the bank.

---

**Gift Box**

Different designs have been chosen to represent each type of book in these boxes. The Just for You design is perfect for every occasion, and the Remember When design reinforces the commemorative aspect of our newspaper books. Licensed titles are also available with specially designed boxes, which are often included within the price of the book. Titles which do not include a box as standard can have one added for an additional $10 retail (see back page for details).

---

**Embossed Name**

All of our commemorative newspaper books come with a name foil embossed on the cover.

Premium children’s books, Timeless format books, and some of our more premium books for adults also include an embossed name on the cover within the price.

---

**Photo Upload**

All our Premium range, and most of our Standard range books, now include a special page with a picture of a character within the book. To make this page extra special we’ve added a Photo Upload option free of charge, so a picture of your child appears there instead.

Ask us how you can implement this into your listings.
Each book available in this more premium cover has been chosen for its educational or festive theme, there’s also titles of our best-selling nursery rhyme books available in this beautiful cover.

Ideal commemorative books for milestone events like a 60th or key anniversary. These titles rekindle special memories through news coverage as reported at the time. Virtually any date is available due to our vast archive. Reproduced to near tabloid size for an impactful gift there is also a choice of hard back covers for each edition. All our commemorative books are personalized with name and message plus choice of date(s). The recipient’s name will be foil embossed on the cover also.
